SPRING 2023

JOIN JESUS IN LOOKING FOR THE ONE

Please be in prayer for our spring celebration, April 25-27. The need is \$175,000, and as you invest in this ministry, people around us discover and worship Jesus. This is because Jesus is looking for the one who is lost.

As someone who has prayed and given to praiseLive, you can look forward to being among the first to receive a special gift this summer.

Looking For The One is short stories about people experiencing Jesus in grocery stores, hospitals, and dugouts. Each story models what happens when you invite Jesus to look for the one through you. It's replacing a formula or system with organic and supernatural encounters.

Because each short story includes resources and discussion questions, you can equip your friends and family to join you in looking for the one.

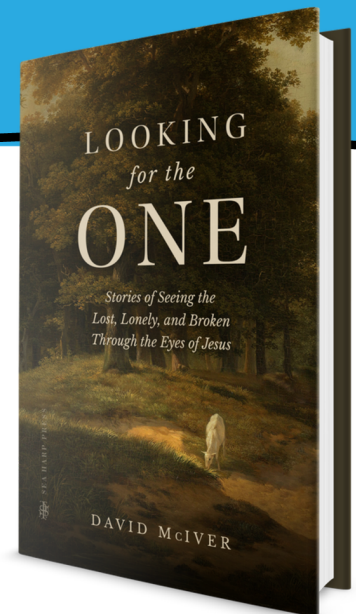

As you witness the gospel's simple power in your everyday life, you discover that the first life to be changed is yours.

“Suppose one of you has 100 sheep and loses one of them—what do you do? You leave the other ninety-nine sheep in the pasture and **go looking for the one** that got lost until you find it.”
Luke 15:4

Because as you look for the one, you become like the One. You become more like Jesus.

We are grateful for your support and pray that this book will encourage you. God bless you!

WHAT IS HAPPENING AT PRAISELIVE

6TH ANNUAL SISTERHOOD NIGHTS: MARCH 31

By Kelsi Timm

Ladies! Here's an opportunity for you to gather your sisters... your friends, relatives and even your mom...and enjoy a night out together! It's a chance to strengthen your faith, grow in your friendships, and have a lot of fun.

This year we'll be hearing from Grammy and Dove Award Winning Recording Artist Rebecca St. James and her mum Helen Smallbone. Rebecca will lead us in a time of worship and then both she and Helen will share some helpful parenting wisdom and the importance of leaving a legacy.

“ I pray that God, the source of hope, will fill you completely with joy and peace because you trust in him. Then you will overflow with confident hope through the power of the Holy Spirit. ”
Romans 15:13

Come fellowship, worship and be refreshed at praiseLive's Sisterhood Night!

EXPERIENCE HOPE DEVOTIONAL

You may be in a season of joy or pain, challenge or victory, or perhaps it's all happening simultaneously. No matter the season, the Bible tells us we can experience hope through it all. Hope is a positive and confident expectation of good that you may not always be able to see or feel.

You are part of a global community of faith with a single mission - to experience Jesus together. For the next seven days, spend time in God's Word to discover the truth of His unconditional love and faithfulness. After each devotional reading there is a prayer and space for you to journal as you meditate. We pray that you will be encouraged and reminded to place your hope in the man whose name is hope - **JESUS**. Are you ready? Let's get started and fill your heart with hope!

LOVE IN ACTION

LIVING WATER

By Tonja Ward

You put your love in action when you gave on Giving Tuesday last November. Because of your generous gifts of over \$7,000, praiseLive Africa, alongside our Ghanaian radio affiliate and TheoVision built a well in eastern Ghana. We know what it is like to be thirsty. The blessing we often take for granted is that we can easily go to the kitchen to get a cold cup of water. Before January, clean drinking water was not accessible for our brothers and sisters in the village of Amanfron. This is a place where praiseLive is heard. Thanks to you, now, there is clean drinking water for the community to enjoy. As they gather to listen to the Word of God in their Bible listening clubs and worship along with praiseLive, which gives water to their souls, they can drink fresh water. Please join us in praying that the village of Amanfron will be a place where many will not only have their physical thirst quenched but will also experience Jesus, the living water.

LOVE IN ACTION WITH GOD'S PIT CREW

By Chaz Lowder

The summer and fall hurricane season of 2022 was particularly devastating across the state of Florida. In December Ted, from the evening show on praiseLive, and I had the opportunity to serve alongside God's Pit Crew. God's Pit Crew, a disaster response ministry, has been around since 1999. They provide immediate emergency relief then return to the impacted area with semi trucks of tools and volunteers to help rebuild.

We worked with a volunteer team at Maria's house in Port Charlotte. The roof had sections ripped off from Hurricane Ian, and the rain poured in destroying all of the sheet rock in the ceiling of her home. God's Pit Crew replaced it with help from volunteers from across the U.S. They also repaired windows, replaced appliances and painted the entire home along with new furniture and landscaping! It's beautiful to see the body of Christ putting love in action. If you serve with God's Pit Crew, you will see people of all ages and denominations coming together to be part of restoration and healing. PraiseLive is heading to Kentucky to serve in April. Learn how you can join us in serving with God's Pit Crew at praiselive.org.

After devastating storms down trees, God's Pit Crew leaves behind a reminder of hope.
